SUMMARY

I'm a Bachelor of Technology student at one of the top colleges, SRM University. I'm pursuing my B-tech in the computer science field. I'm a passionate computer science engineer who is willing to learn new things about technology. I also did quite a few workshops on technology and Robotics. I'm looking forward to gain new knowledge through this internship. I will be glad to utilize my skills and learn new information and I would bring forward my positive attitude, willingness and motivation to learn new things on this internship.

EDUCATION

B.Tech

SRM UNIVERSITY AP
Oct 2022 - Present

INTERMEDIATE (89.5%)

SRI GAYATRI JUNIOR COLLEGE
Jun 2020 - Mar 2022

SCC BOARD (100%)

NARAYANA
June 2019 - Mar2020

SKILLS

Technical Skills: C, C++, Python, Data Structures, HTML&CSS, SQL

Soft skills: Communication Skills, Team Work, Time Management, Critical thinking
